

Attention all existing Microsoft Dynamics Price List on-premises customers!

Dynamics 365 Business Central is a business management solution that helps companies connect their financials, sales, service, and operations to streamline business processes, improve customer interactions and help make better decisions.

We are offering discounted transition pricing to Dynamics Price List (DPL) on-premises customers who want to move to Microsoft Dynamics 365 Business Central in the cloud. For purposes of this offer, existing DPL on-premises customers are defined as customers who are licensed with a Dynamics DPL solution prior to **October 1, 2018**.

Dynamics DPL on-premises customers are eligible to the discounted transition pricing for the Dynamics 365 Business Central SKUs. This discounted offer will be available **April 2, 2018 through June 30, 2021**.

Dynamics 365 Business Central is cloud based and available from Cloud Solution Provider (CSP) Program partners only.

**Offers:**

**End of Plan Transition offer:** 40% discount will be applied to the User SKUs when eligible DPL customers transition to Microsoft Dynamics 365 Business Central

- For customers at the end of their Enhancement Plan who are ready to move their primary deployment to the cloud
- Customer drops Enhancement plan from DPL on-premises license
