

The **definitive** Azure solution for MSPs

Nerdio for Azure + Windows Virtual Desktop

With SYNNEX and Nerdio, you'll have everything you need to take the fast track to success with Azure. SYNNEX resellers can take advantage of a complimentary training session and strategic 1:1 follow-up with Nerdio. You will get expert guidance on building your Azure practice, from understanding how Azure works to learning the best approaches for selling Azure. You'll also receive 3 months of Nerdio for Azure for free, and get support from a go-live engineer who will guide you through your first customer onboarding. For more details on our Nerdio partnership or to get started, connect with our team at MSFTCSP@synnex.com.

Build and rapidly grow your cloud practice in Microsoft Azure

Deploy

Automatically provision a complete IT environment in Azure within a few hours and without the need for an experienced engineer.

Package
